

THE BEST INFORMATION LINE

From your Chairman...

Hello Fellow Irrigators,

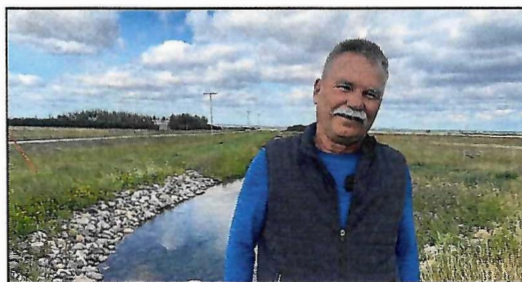

Hope everyone is having a great summer. The irrigation season so far has been relatively uneventful due to the rains that we have received this year. While we, as irrigators, can make it rain to ensure we get bountiful crops, some of our neighbors are not as fortunate.

SSRID will be participating in another Straw Drop Initiative this year, an initiative that we started a few years ago. It seems that it has become an annual event due to our ever-changing climate. So, I hope that you all can help out if you get a call from Krystine at the District Office.

Hope we all have a good harvest season!

Thank you,

Steve Primrose
